Features

Rugged&Solid Design

Durable forged aluminum withstands harsh work environments
Polished&Aodized body is easy to clean

Exclusive Needle Design

Factory set needle no need adjustments
Guaranteed for life against breakage
The spring doesn't touch any fluid, prolong its lifetime

EZ Out Gun Filter

Filters from the inside out to prevent filter from collapsing
Interchangeable with DP-6371 spray gun.

EZ Glide Swivel

Unique design reduces sealing friction under pressure, making this the best swivel on the market!

EZ Gun Trigger and Trigger Lock

The Smoothest, lightweight & Softest gun trigger ever in the market!
Safety Lock could also be used for keeping the gun continuous spraying without pulling the trigger manually.

Ergonomic Design

Form-fitted handle provides maximum control and comfort
Detachable trigger guard swings clear of gun handle for easy filter access
Lightweight design reduces operator fatigue(Total 460g only with tip&guard)

Gun Repair Kits

Factory set needle
5 minutes to exchange the repair kits
