

X DINO-POWER AIRLESS SPRAYER X10

The X10 airless sprayer is the perfect choice for property maintenance, professionals, remodelers, and general painters handling fast-moving projects.

It allows for spraying thicker materials, and quick change pump swap feature minimizes downtime, keeping your work flowing smoothly.

Advantage Compact size, professional finish easy to step, use and clean.

Project Small-to-midsize household projects such as doors, trim, interior walls and ceilings, decks and fences, and houses.

Material Interior paint, varnish, oil-based paints, primer, chalk paint, wood preservative staining products

Specification
-Motor 700w
-Flow rate 1.2LPM
-Max. Tip size 0.019"
-Max. Pressure 3000Psi

Max. Viscosity Handles all standard paints without diluting in most cases (for smooth substrates and particularly high-viscosity, gel-like paints, dilute in 10% increments)
